

Situated in King Street, which dates back to 1650, our impressive building was designed in 1738 as the first purpose-built library in England. Established in 1986, Cathay Rendezvous is still the leading Chinese restaurant in Bristol.

Within its elegant façade, Cathay Rendezvous offers diners a unique experience in oriental cuisine that spans the main gastronomic regions of China, alongside western style friendly service. The restaurant offers spacious and flexible air-conditioned rooms on two levels. Licensed for 150 people, we can cater for parties and events of all sizes.
